CAINZ locations and overseas logistics network

The AEO program is a system in which customs approves and certifies business operators that have established systems for cargo security management and compliance, and offers them measures to ease and simplify customs procedures. CAINZ was certified as an Authorized importer under the AEO system in April 2019, and has established a system for smooth customs clearance procedures.

AEO 制度是指海关对已建立货物安全管理及合规体系的企业进行审批和认证，并采取相应措施简化通关手续的制度。CAINZ 于 2019 年 4 月获得 AEO 制度下的例外进口商认证，并已建立起一套确保通关流程顺畅的体系。
